JOB DESCRIPTION

We are seeking a highly motivated, experienced Analyst to join our Investment Banking Team. As an Analyst you will be providing analytical support on mergers and acquisitions, and other financial advisory services for our clients. Analysts assist in the preparation of company valuations, financial models, company marketing documents and client presentations in addition to performing independent research and various analyses in support of new business generation.

QUALIFICATIONS

Candidates should have experience working in a fast-paced professional environment and be able to hit the ground running. One year of full-time work experience or significant internship experience is required. Experience working at a top-tier investment bank, financial advisory or accounting firm is strongly preferred. Candidates must have a proven academic record and an interest in finance and the technology sector. The ideal candidate will have (i) an enduring work ethic and track record of success; (ii) the ability to function equally well in both a team setting and on a self-directed basis; and (iii) excellent mathematical, writing, verbal and computer skills.

APPLICATION

To submit your application, please fill out the application form available on our website. Documents related to your application will be treated in the strictest confidence and will not be forwarded without your express permission.
