JOB DESCRIPTION

We are looking to hire a second year investment banking associate. You will play an integral role, providing quantitative and analytical support working on local and cross-border mergers, acquisitions, and financings. Associates work closely with senior bankers during all stages of the transaction so they develop both the execution and client skills required to be an effective senior banker.

KEY RESPONSIBILITIES

Associates are assigned to a variety of projects and are given a broad range of responsibilities, some of which include the following:

- Preparation of pitch books to support business development initiatives
- Managing and assisting in the preparation of financial models and business valuations
- Creating client marketing presentations
- Attending client meetings
- Conducting industry and company-specific due diligence related to transactions
- Drafting memoranda for sale assignments
- Assisting in the development and continued cultivation of client relationships

QUALIFICATIONS

Candidates will possess the following qualifications:

- Previous investment banking experience is required
- Three years of technology/digital media experience is preferred
- A strong work ethic, detail orientation and a passion for excellence
- Knowledge of general accounting and finance principles
- The ability to excel in both team and self-directed settings

APPLICATION

To submit your application, please fill out the form available on our website.

Documents related to your application will be treated in the strictest confidence and will not be forwarded without your express permission.
